### Terminal Disclaimer

Sir:

I (We), Long Bao Zhang, residing at Anaheim in the country of United States and State of California, represent the entire interest of a US patent application having a serial Number of 10/684,191, and a filing date of 10/14/2003 for Light Source Arrangement. I (We) hereby disclaim the terminal part of any patent granted on the above identified application, which would extend beyond the expiration date of the full statutory term, as presently shortened by any terminal disclaimer, of U.S. Patent No. 6,715,900, and hereby agree that any patent so granted shall be enforceable only for and during such period that the legal title to said U.S. Patent No. 6,715,900, this agreement to run with any patent granted on the above identified application and to be binding upon the grantee of such patent and his (its) successors or assigns.

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term, as presently shortened by any terminal disclaimer of Patent No. 6,715,900 in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37CFR1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.
